

THE COPPER PLATE CIRCUIT

Handwritten text in a cursive script, likely a form of shorthand or a specific dialect, arranged in a curved path across the bottom of the page. The text is written in a golden-brown color, matching the wire above it. The script is dense and difficult to decipher, but it appears to be a continuous flow of characters and symbols.

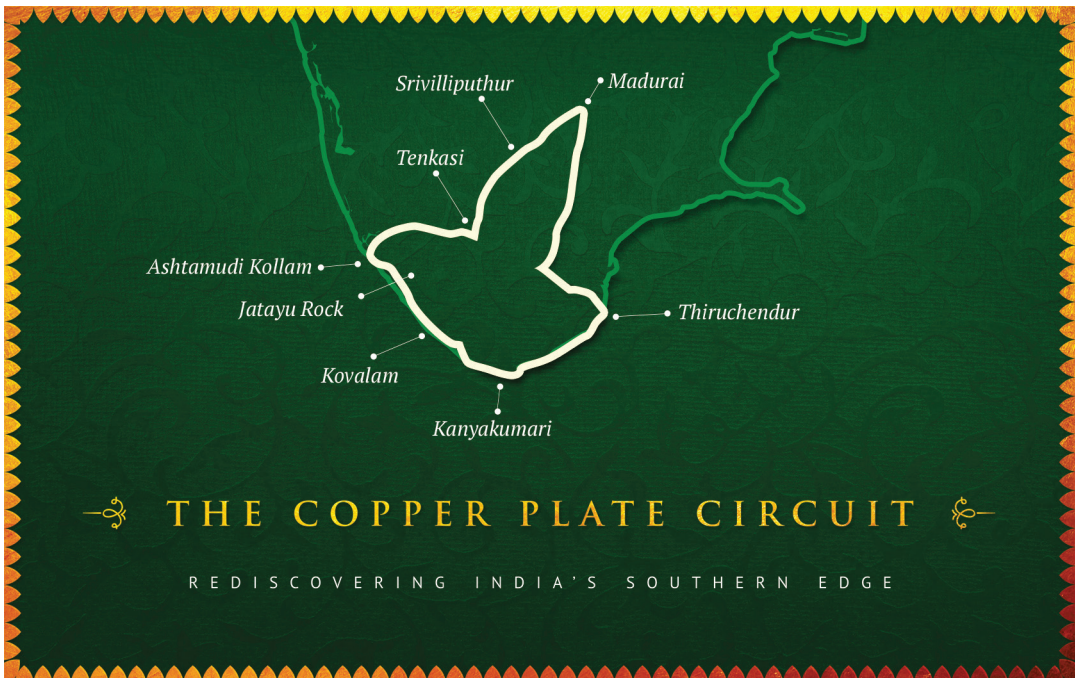

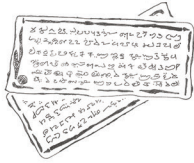

RAVIZ HOTELS & RESORTS

ASHTAMUDI | KOVALAM | KADAVU | CALICUT

— *presents* —
